POPULAR NORTH COUNTY PICNIC SPOT CLOSED FOR CONSTRUCTION

Day Use Area Closed at Guajome Regional County Park in Oceanside

The lower day use part of Guajome Regional County Park, a popular north county picnic spot in Oceanside, will be closed on Easter weekend due to construction.

The picnic area adjacent to North Santa Fe road and the area off of Guajome Lakes Road will be closed due to park beautification construction projects including a soccer field, basketball court and playground.

Camping activities will remain available at Guajome Regional County Park during construction.

Residents are encouraged to visit nearby Live Oak County Park located at 2746 Reche Road in Fallbrook, which also offers day use activities and picnicking areas.
